Dear Potential Safety Council Member:

**Wouldn't you like to have received some of the over \$77,726.39 the Preble County Safety Council members received in 2009?** Now you have a chance to

- Learn techniques for increasing safety in your workplace
- Learn how to better manage your workers' compensation program
- Network with other employers in the community
- Access useful, money saving workers' compensation and risk management information
- Receive up to 4% discount on your workers' compensation premiums

To reap all these benefits, simply enroll with the Preble County Safety Council, sponsored by the Preble County Chamber of Commerce.

The Preble County Safety Council was officially launched in July 2006 and has had a very successful first few years. Our goal this year is to grow our membership from 27 employers to 51. This will allow for additional financial support from the BWC to further improve the quality of training provided. The council consists of monthly luncheons, where safety council members receive information and training on a wide array of safety programs to take back to your businesses. Example topics are OSHA speakers, Ohio Bureau of Workers' Compensation presentations, disaster preparedness, ergonomics, and many other topics which will make your businesses a safer place for your employees and customers.

In addition to the intrinsic value of the monthly training programs, the Ohio Bureau of Workers' Compensation will provide a 2% rebate off the premiums of Safety Council members upon meeting set criteria. An additional 2% is awarded for companies that reduce claims by 10% or maintain claims at zero. (Rebate applies only those employers who are **not** in a Group Ratings program.) Enclosed with this letter is additional information regarding the specifics of the Preble County Safety Council.

The Preble County Safety Council is an exciting program sponsored by the Preble County Chamber of Commerce to serve the business community. For additional information, contact the Chamber office at 456-4949 or Mike Jeffery, Safety Council Manager at 937-533-8163 or Kathy Schulz at 937-839-1307. Consider being a part of this progressive and financially beneficial safety program.

Sincerely,

Mike Jeffery  
Preble County Safety Council Manager
